Godrej Properties to develop residential project in Pune

Mumbai-based real estate developer Godrej Properties will develop a residential project in Bavdhan, West Pune. The group announced recently that it has entered into a partnership to develop a residential group housing project spread over ₹ 5.5 acres in Bavdhan. The project will offer approximately 52,000 square metres (560,000 sq. ft.) of saleable area and will be developed as a modern residential development comprising of apartments of various configurations.

The site is strategically located just off the Mumbai-Bangalore bypass and very close to the prime residential micro

market of Kothrud. It is situated on main Paud road within PMC limits and is well connected to Hinjewadi IT Park.
